

	Task	Reason
As a new user	I want to find out more about Traks	So I can determine whether I want an account
	Create an account with Facebook	So that I don't have to work as hard
	Create an account with Twitter	So I don't have to work as hard
	Create an account with email and password	Because I don't want to use facebook/twitter
	Add Friends from FB/gmail	To see where they have traveled
As a returning user looking at my display page	Update account settings	So I can change username/pw/zipcode-mail/communication preferences/change avatar photo/change logo
	I want to add a trip/location	So that I can start filling out my map and document my travels
	I want my display to show only my Travel logs	So I can plan based on my exp
	I want my display to show both my and friend's Travel logs	So I can plan based on my and friends exp
	I want to see the total distance I've traveled relative to a benchmark	To feel a sense of accomplishment/ goad to travel more
	I want to filter my past travels by Highly Rated	So I can plan a similar trip
	I want to see suggested travels	For inspiration
	I want to filter my past travels by Longest Duration	So I can plan a similar trip for the future
	I want to filter my past travels by Highly Rated	So I can plan a similar trip
	I want to filter my past travels into local	So I can plan a similar trip for the immediate future
	I want add a friend 's travel log to my wish list	To replacate the exp myself
	I want to react to a friend's travel log	To communicate my feelings to a friend based on his log
	I want to edit my travel log	To more accurately represent my experience
	I want to delete my travel log	Because it is no longer relevant to me
	I want to share my travel log	Because my friend was interested in my exp
	I want to share my friend's travel log	To inspire a similar trip with another friend
	I want to add a travel log to my wish list	Becasue it looked so good I want to do it again
	I want to add a travel log to my plan a trip list	Becasue it looked so good I want to do it again
	I want to see a snapshot of my travel log without leaving the page	To aid my decision making as to where to go next
As a user adding a travel log	I want to add a photo from FB/Intsagram/device/url	To remember my travels via an image
	I want to add a video FB/Intsagram/device/url	To remember my travels via a motion picture
	I want to add a journal entry	To remember my travels via a written entry
	I want to add a voice recording	To remember my travels via a sound/a voice
	I want to add companion	To document who traveled with me
	I want to link this travel log with a common trip	To remember all that I traveled to on 1 trip with multiple locations
	I want to make a photo/video the primary media for travel log	To represent my exp
	I want to add what the dominate weather was	For future reference
	I want to add what I'd warn against	For future reference
	I want to add what I'd reccomend	For future reference
	I want to add a name to the log	To give a memorable title to my travels
	I want to upload a file from device	To add an external entry to my log
	I want to crop my media	To show only what I want shown
	I want to share my log	To show off my log
	I want to make my log into a sendable postcard	To include others in my exp
	I want to make my log private	To hide the exp from others who may be offended by the content.
	I want to make my log public	To show off my travels and encourage others to walk my steps
	I want to allow my friends to comment on the log	To allow my friends to react to my travels
	I want to add a log to my wish list	To encourage myself to create a similar traveling exp
	I want to disallow my friends to comment on the log	To disallow trolling &/or potential hurt feelings
	I want to rate my experiences	To let myself know at a glance if a travel is worth replacating or avoiding
	I want to tag the experience	To easily filter to it in the future
As a user who does know where I want to travel to	I want to resource link to Airbnb/mapquest/roadtrippers.com/googlemaps	for inspiration
